## PROFILE

A team player and self-motivated individual passionate about web development, continuously building on the knowledge and skills gained during my college years. I enjoy collaborating with others and always look for opportunities to grow and improve in the field.

## OBJECTIVES

- To start my journey as a junior web developer with the goal of growing into a senior developer in the future.
- To gain more knowledge and experience in web development, not only in HTML, CSS, and JavaScript but also in other technologies and tools the company provides.
- To be part of the company in long term goals.
